Deadline for submission of all entries (including Seniors) **=Friday 31st May 2025.**

This is an individual competition and there will be no team event this year. Athletes entered should be of a good standard and should have had some experience / training in the events for which they are entered. For clarification, good standard does not mean National standard – anyone with expectation of achieving performance above “District level” in the ESAA Standards.

Please note only schools can enter athletes and not parents or club coaches. Please make sure you have entered all your athletes by the deadline date.

Medals will be presented to individual winners - certificates for 2nd and 3rd place

Supervision of athletes on the day: If your school is entering three or more athletes, please supply at least one school Team Manager for the duration of their events. If entering less, please negotiate with your District Rep regarding supervision if you are unable to attend.

Officiating Duties of each District on the day:

We will again allocate time slots for judging field events to each district for their representative to delegate to all schools attending. Please be proactive in volunteering as we cannot run the event without you. The field referee will have to cancel any event that is not adequately covered for the safety of the athletes and spectators.

GUIDELINES FOR BUCKS SHOOLS AA COMPETITION ENTRY 2025

CLARIFICATIONS

- 1) Each school allowed a maximum of **3 athletes** per event in the Junior (Year 8 & 9) and Intermediate (Yr 10 & 11 age Groups).
- 2) **Years 8, 9, 10 & 11** Each athlete only allowed to enter **a maximum of 3 events** - can be any mix of track and field within UKA rules so Juniors cannot double up 800m / 1500m.
Year 7s: restricted to 2 events only.
- 3) **YEAR 7 Events**
Restricted to events available to Years 7s in ESAA Cup but applying Year 7 specifications (except no 1500m this year)
In all Year 7 track events, events will be held as Time Trials
Year 7 Field events limited to 4 jumps / throws (except High Jump). This may be changed at the discretion of the Field Referee if there are a high number of entries.
- 4) **YEAR 8, 9, 10 and 11 Events**
All events competed at the English Schools National Champs are offered.

Field Events will be held to modified Championships rules - each athletes get 3 attempts - best 6 athletes above a given standard (tbd) get additional 3 attempts.
- 5) **YEAR 12, 13 Events**
This competition is not intended for older students. However, where an athlete is seeking a competition opportunity for strong academic or ESAA qualification reasons the following guidelines apply:

Only events on offer at the Intermediate age group which have the same specifications; hence all throws (except Female Discus) and hurdles excluded.
Athletes may only be allowed to enter the listed events if there are sufficient lanes available in the sprints, and not too many jumpers already. Athletes will not be able to progress through rounds of the competition = for clarification, where there heats, Seniors may only compete in the Heat for the purpose of getting a valid time – they will be excluded from the any Final qualifiers.
- 6) **VERY_IMPORTANT**
Junior and Inter athletes seeking selection for the County for the English Schools Championship are expected to compete in the Bucks Schools Championships, but do not necessarily have to compete in the event in which they wish to be selected .
They must have a valid competition performance within the National Entry standards recorded in a Power of 10 eligible competition since January 1st 2025 to be considered for the National Champs. These athletes should be nominated on the Online Form to be considered for selection by the Selectors.
