-

- marked "A" on the map
- access to the car parking is straight on at the mini roundabout as you enter Purbeck
- once parked please follow the Redway / cycle route from the back of the "second part" of the car park on foot to the stadium.
 - There is likely to be **no access via** the school or the nearby Leisure Centre at that time.
- **Do not park** in the Leisure Centre car park which is to the left.

There is alternative parking on one side of **Breckland**, accessed via D on the map. This is the ideal place to use if you are present most of the day.
